➤ Many suffering from various other problems.

- Our NSS volunteers realized the value of serving the deserved community over there in Pakeer gudem.

They have understood how to accommodate with situations based on the real need of the society, real problems existing in the individual families, basic need to the society. Volunteer students also realized how the alcohol addict affects the family and society and how pesticides effecting the health. Old age problems, disease prevalence in relation to village, endemic and communicable diseases were noticed.

**26<sup>th</sup> March 2019 (Day-2)-Organized an Eye-camp with the help of Modern Sandhya Hi-Tech Eye Care Hospitals.**

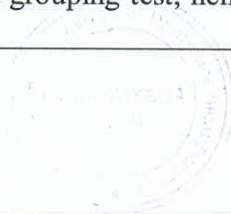

Dr.Raju and his health care team members rendered their valuable services to poor and needy people by testing for eye problems and by giving valuable suggestions free of cost.

- Volunteers created awareness on eye camp and gathered the poor, old, needy people having eye problems
- Volunteers created awareness on eye problems and importance of frequent eye checkups in old age, diabetic patients and children's etc.,
- In this camp doctors tested 113 patients for suggested glasses for needy and some serious cases were referred to visit hospital.
- They assured free consultation for one month and subsidy up to 50% on treatments, for who come from this camp.

**27<sup>th</sup> March (Day-3) Awareness on Blood Donation and Blood Grouping Program.**

Volunteers created awareness on blood donation and anemia.

- On the same day we conducted blood grouping test, hemoglobin test and blood pressure testing. In this

<b>Description:</b>	<p>On the eve of “<b>International Ozone day</b>” NSS Unit of KVSRSOAPS Organized a Guest lecture followed by outreach programme on 15/09/2018. The chief guest of the programme is Sri. M.Narayana gave a very thought-provoking talk on the topic and highlighted the importance of action over the issue. He began his talk with the words ‘tackling climate change and ozone layer depletion are our most important priorities today’. He mentioned that nature has high resilience and can heal itself, provided with long periods of time. He also discussed about the causes of ozone hole and emphasized on the need to develop alternatives to ozone layer depleting substances.</p> <p>Outreach programme started at Siddhartha college road, Mogalirajpuram from</p>
