ACTION TAKEN REPORT ON CURRICULUM FEEDBACK ACADEMIC YEAR 2021-22

The feedback was collected from the institution's stakeholders

1. Students 2. Faculty 3. Alumni 4. Employers

The feedback was collected from the stakeholders for smooth functioning and betterment of the institution, which in turn helps to provide adequate facilities for the teaching-learning process as well as administration.

S.No.	Suggestions made	Action taken
STUDENTS		
1	Relevance of curriculum framed by the university/PCI	Institution has adopted the same curriculum framed by the university/PCI to maintain the same output.
2	Curricular & Co-Curricular activities (VAC, Guest Lecture, Industrial Visit) to bridge the gap between academic and industrial needs.	Skill development programmes, other certificate programmes and industrial visits are organized along with the curriculum to bridge the gap between academic and industrial requirements.
3	Application of laboratory experiments in real life	Guest lectures by academic and industrial experts as well as industrial visits are organized regularly.
FACULTY		
1	Relevance of curriculum framed by the university/PCI to programme	Curriculum framed by the university/PCI to programme is on par with the latest developments in the field of pharmaceutical sciences which ensure employability of students after graduation along with regular conduct of Faculty Development Programmes
2	Availability of required number of prescribed books/journals in the library	Library resources are updated by increasing the number of volumes, every year.
ALUMNI		
1	To what extent is your current position related to your program of study	Measures were taken to improve industry-institution interaction by collaboration with different industries/organizations through MOUs.
2	Satisfied with the academic performance/ranking of our institution	Participation in NIRF ranking and NAAC accreditation
3	Assessment pattern is satisfied to face university exam in confidence	Different modes of student-centric teaching-learning methodologies were implemented.
EMPLOYER		
1	KVSR SCOPS graduates have ethical and social responsibility	Measures were taken to strengthen the moral values and socio-ethical responsibilities through NSS activities and participation in awareness programmes.

CONCLUSION:

Thus, the feedback given by the stakeholders were analyzed and suitable action was taken to satisfy the expectations of students, faculty, alumni as well as employers. It further helped the institution to improvise the curriculum as per the needs of stakeholders.

ACTION TAKEN REPORT ON CURRICULUM FEEDBACK ACADEMIC YEAR 2020-21

The feedback was collected from the institution's stakeholders

1. Students 2. Faculty 3. Alumni 4. Employers.

The feedback was collected from the stakeholders for smooth functioning and betterment of the institution, which in turn helps to provide better facilities for the teaching-learning process as well as administration.

S. No.	Suggestions made	Action taken
STUDENTS		
1	Satisfaction of assessment pattern for students to face university exam with confidence	The academic grievances from students for their improvement in internal assessment was considered and action taken to conduct re-sessional examination.
2	Application of laboratory experiments in real life	Workshops were conducted by experts/academicians as well as organized for the benefit of students. The institution organized industrial visits as well.
FACULTY		
1	Relevance of curriculum framed by the university/PCI to programme	Curriculum framed by the university/PCI to programme is on par with the latest developments in the field of pharmaceutical sciences which ensure employability of students after graduation along with regular conduct of Faculty Development Programmes
2	Relation of electives offered in the syllabus to the technological advancements	Curriculum is designed by the incorporation of elective subjects based on the latest innovations in the field of pharmaceutical sciences.
ALUMNI		
1	Satisfied with the academic performance/ranking of our institution	Participation in NIRF ranking and NAAC accreditation
2	Assessment pattern is satisfied to face university exam in confidence	Different modes of teaching-learning methodologies were adopted and implemented as it facilitates students to better understand the concepts.
EMPLOYER		
1	KVSR SCOPS graduates have the ability to function in multi-disciplinary teams	The students were ensured to receive strong fundamental & latest scientific knowledge through participation in skill development programmes, certificate programmes on life skills, personality development etc.

CONCLUSION:

Thus, the feedback given by the stakeholders were analyzed and suitable action was taken to satisfy the expectations of students, faculty, alumni as well as employers. It further helped the institution to improvise the curriculum as per the needs of stakeholders.
